Inga is the new Sr. Lead Officer for Melrose between Fairfax and La Brea. As many of us as possible should attend her reception. Surely, we will be working with her closely.

Greetings!

I wanted to inform you that I will be returning to my Senior Lead Officer position effective October 4, 2015, and I wanted to invite you to a meet and greet that has been scheduled for Tuesday, October 6 at 9:00 AM.

As you may recall, I temporarily left my Senior Lead Officer position to fill in an administrative position, as I had recently discovered I was pregnant. This is something my family and I were eagerly looking forward to, so you can imagine our shocked and dismay to discover that this pregnancy did not continue. I have taken time from work to deal with this loss, and I hope you can understand and respect the sensitivity of this incident.

There are difficult times in everyone's lives, but as we all must do, I am moving forward and excited about working hard for the communities of Wilshire Division. I am well aware that the community members of 7A1's area have been without a permanent Senior Lead Officer for too long now; I am anxious to hit the ground running and start to combat the issues that are affecting our communities. I'm ready to take on this new challenge and I'm anticipating positive changes for the area.

I hope you are able to join us at Canter's on Tuesday, October 6 at 9:00 AM, as it would be great to meet you face to face. Please also spread the word to anyone else you think would be interested in attending, the more the merrier!

Thank you,
Inga Wecker
Senior Lead Officer, 7A1
